

Bizbotweb.com

Do-It-Yourself Website Creation Form

Please take some time to fill-out the form completely.

Please take a moment and fill out the information below. This will help you ensure the website meets your needs.

Business Name	
Main Contact Name	
Main Contact Phone #	
Main E-mail Contact	
Physical Address	
Website Address	
Facebook Page	
Twitter	
Linkedin	
What are the goals you have for digital marketing?	
What is your unique selling point?	

Things to keep in mind:

1. You need a domain. Pick your business name, owner name, and product names.
2. You need a way to create a website (unless your doing a WordPress hosting or Website Builder program). If you want us to make a website for you continue to #3.
3. Fill out this form, have your artwork files ready. (Need stock photos? Try Bigstockphoto)

Building the Website

Please note there are two components to a website: Domain and Hosting. If you need us to register and set-up hosting your site please check the Bizbotweb box. Sometimes the domain and hosting information is on one account. If you want to setup your own domain and hosting check out bizbotweb.com. Any questions, please give us a call 855-878-7844 X 2.

	User Name	Password	Bizbotweb
Host Provider:			<input type="checkbox"/>
Domain Provider:			<input type="checkbox"/>
URL or FTP:			<input type="checkbox"/>
Login:			<input type="checkbox"/>
Password:			<input type="checkbox"/>

Website Building | Sitemap

Please plan an overview of the number of pages and the names of the pages.

How many pages?	
Home Page	
- Page Title	
Page 2 Name	
- Page Title	
Page 3 Name	
- Page Title	
Website Contact Displayed	
E-mail	
Phone	
Other Information:	

The following page will capture the content for each page. Please use one sheet for each page. If you want to send us your files right away please label the files with your business name and send to service@bizbotweb.com .

Content of Your Website (Per Website Page)

Please print this page for each page of content:

Page Name	
Page Title	
Meta Description	
Header Information	
Logo Information	
Navigation	
Footer Info	

Purpose of the Page:	
----------------------	--

CONTENT

Action Items

What are some of the action items you want are your site? How are you going to move people along the sales process?

What other resources do you have to help you with your sales process. What information do you need from the web users?

CONTENT:
